

Farbkultur

cultural colours around the world
culturele kleuren wereldwijd

Hosted by: Lina Schmidt | Melissa Lindemeyer

Project Information (EN)

Farbkultur observes, documents and analyzes applied color in a cultural context. Through analysis, individual connections, differences and characteristics are recorded. Farbkultur can react to new areas of application by transforming the results. Farbkult

Projectinformatie (NL)

Farbkultur observeert, documenteert en analyseert toegepaste kleur in een culturele context. Door middel van analyse worden individuele verbanden, verschillen en kenmerken vastgelegd. Farbkultur kan reageren op nieuwe toepassingsgebieden door de resultate
