

Planetary Personhood

A Universal Declaration of Martian Rights.

Een universele verklaring van rechten op Mars.

Hosted by: Nonhuman Nonsense

Project Information (EN)

As NASA, SpaceX, and others, now attempt to bring earthlings to Mars, Planetary Personhood is an opportunity to free ourselves from the conceptual baggage of earthly traditions and systems. Seeking to move away from the dualistic divide between living bei

Projectinformatie (NL)

Nu NASA, SpaceX proberen aardbewoners naar Mars te brengen geeft Planetary Personhood een kans ons te bevrijden van conceptuele bagage van aardse tradities en systemen. Met doel om af te stappen van de dualistische kloof tussen levende wezens en levenloze
