

(Non)Depleted

Hosted by: (Non)Depleted Curatorial Team

Project Information (EN)

(Non)Depleted is a group exhibition gathering several local and international designers/artists. Through the presented projects, we are exploring the meanings of depletion—from resource extraction to critical thinking about social, political and ecological

Projectinformatie (NL)

(Non)Depleted is een groepstentoonstelling die verschillende lokale en internationale ontwerpers/kunstenaars samenbrengt. Door middel van de gepresenteerde projecten onderzoeken we de betekenissen van uitputting - van extractie-kapitalisme tot emotionele,
