

The World Federation of Sphere Detection Sports

(WFSDS)
(WFSDS)

Hosted by: LIVE-ISH

Project Information (EN)

Public displays of contest, survival, and stamina have been relocated, from arenas to grocery stores. Combining these past and present sites of global competition, The World Federation of Sphere Detection Sports shifts our focus from plastic balls to edib

Projectinformatie (NL)

Openbare vertoningen van wedstrijden, overleving en uithoudingsvermogen zijn verplaatst van arena's naar supermarkten. Door deze vroegere en huidige locaties van wereldwijde concurrentie te combineren, verlegt de World Federation of Sphere Detection Sport
