Project Information (EN)

"In our time self-design has become the mass cultural practice par excellence", writes philosopher Boris Groys. Our self is elusive, to say the least. It roams in memories and dreams, it briefly shows up on x-rays and personality tests. Our self

Projectinformatie (NL)

"In our time self-design has become the mass cultural practice par excellence", schrijft filosoof Boris Groys. Maar ons zelf is, op zijn zachtst gezegd, ongrijpbaar. Het dwaalt in dromen en herinneringen, duikt op in röntgenfoto's en persoonlijk
