

IDEAS POWERED FOR BUSINESS

Design makes the difference Free business advice on intellectual property protection

Design makes the difference Free business advice on intellectual property protection

Hosted by: European Union Intellectual Property Office -EUIPO

Project Information (EN)

Design-intensive industries power our economies and support job creation. Here in the EU, industries that use design intellectual property rights intensively generate 16.2 per cent of GDP and underpin 14.2 per cent of all jobs. Intellectual property

Projectinformatie (NL)

Intellectual property rights help design-led companies and designers to grow their businesses and protect their innovation and creativity, making it easier for them to thrive. At the European Union Intellectual Property Office (EUIPO), we're committed to
