VIENNA DESIGN WEEK's Virtual Festival Headquarters: Opening a Portal Into Another World

VIENNA DESIGN WEEK's Virtual Festival Headquarters: Opening a Portal Into Another World

Hosted by: VIENNA DESIGN WEEK

Project Information (EN)

Building on the experiences and contacts VIENNA DESIGN WEEK collected through its digital formats in the last years and reacting to the obvious need to further explore the virtual space as a medium for design, we decided to launch a new part of our event

Projectinformatie (NL)

Voortbouwend op de ervaringen en contacten die VIENNA DESIGN WEEK de afgelopen jaren via zijn digitale formats heeft verzameld en in reactie op de duidelijke behoefte om de virtuele ruimte als medium voor design verder te verkennen, lanceren we een nieuw
