

Concrete Printing Facility

Concrete printing solutions | Printing as a service | Consultancy

Hosted by: Vertico

Project Information (EN)

We operate three industrial ABB robots, one of which on a 10 meter track, capable of producing objects to 10 x 2.5 x 2.5 meter. We are open to experimenting with new and innovative design.

Projectinformatie (NL)

Wij gebruiken drie industriële ABB robots, waarvan een op een 10 meter track, die objecten kan produceren tot wel 10 x 2.5 x 2.5 meter. Wij staan open voor het experimenteren met nieuw en innovatief ontwerp.
