

Moving Bench

THE CONNECTING SEATS Street art directors adapt years of experience into interactive urban design.

THE CONNECTING SEATS Street art directors adapt years of experience into urban design to create spontaneous social interactivity.

Hosted by: Close Act Design

Project Information (EN)

SELECT YOUR SEAT. Can you step into the blue seat and so I can swipe over the green one? a curved line are seats on a rail who can slide to the left and the right. 15 seats make 4 couples, 4 singles and a group of 3 people who want to sit together. Ca

Projectinformatie (NL)

HET NIEUWE SAMENZIJN Verschuifbare stoelen geplaatst op een gebogen stalen rail. Spreek je af met 5 vrienden, zit je graag alleen of ben je verplicht afstand te bewaren. Tijdloos en flexibel. Pas je aan en pak een stoel en schuift deze door! De Movi
