

The Ghost Bag

A recycled and recyclable designer bag made of ghost fishing nets

Een gerecyclede en recyclebare designtas gemaakt van spookvisnetten

Hosted by: The Ghost Bag

Project Information (EN)

Made of recycled materials, the bag itself is recyclable. New Relation developed a new fabric consisting of fishing nets recovered from the sea, trapped in ECONYL regenerated nylon. Using artisanal techniques, each bag is unique because of the arbitrary p

Projectinformatie (NL)

De Ghost Bag is gemaakt van gerecycled materiaal, maar is zelf ook recyclebaar. New Relation heeft een nieuwe stof ontwikkeld van uit de zee gehaalde visnetten, die gevangen zitten in ECONYL geregenereerd nylonstof. Met behulp van ambachtelijke technieken
