

FISH_FISH

Ethical sneakers

Ethische sneakers

Hosted by: FISH_FISH

Project Information (EN)

Fish_Fish shoes are produced locally, using 85 percent of solar energy and efficient use of water. This project aims to increase the awareness of using innovative raw sustainable materials.

Projectinformatie (NL)

Fish_Fish schoenen worden lokaal geproduceerd, waarbij 85 procent van de zonne-energie en efficiënt gebruik van water wordt gebruikt. Dit project heeft tot doel de bewustwording van het gebruik van innovatieve duurzame grondstoffen te vergroten.
