

Residency for the People - Rietveld by the People

DIY Modernism

DIY Modernism

Hosted by: Residency for the People - Rietveld by the People

Project Information (EN)

Gerrit Rietveld thought that the furniture he designed and made should be available to everyone and that his designs could possibly be copied. One could say a kind of 'open source design' avant la lettre. Many of his furniture pieces can be found on Markt

Projectinformatie (NL)

Gerrit Rietveld vond dat de meubels die hij ontwierp en maakte voor iedereen beschikbaar moesten zijn en dat zijn ontwerpen mogelijk gekopieerd konden worden. Je zou kunnen zeggen een soort 'open source design' avant la lettre. Veel van zijn meubelstukken
