

Cortina E-Silento Pro

Hosted by: Cortina E-Silento Pro

Project Information (EN)

This e-bike is designed for commuters and the business market, who have to cycle more than 10 kilometers and want to arrive refreshed at work. The technology is integrated into the frame as much as possible.

Projectinformatie (NL)

Deze e-bike is ontworpen voor forenzen en de zakelijke markt, die meer dan 10 kilometer moeten fietsen en fris willen aankomen op hun werk. De techniek is zoveel mogelijk geïntegreerd in het frame.
