

Lotus, Next generation Neonatal Intensive Care

Designing to ensure premature babies have the best chance at life

Designing to ensure premature babies have the best chance at life

Hosted by: Lotus, Next generation Neonatal Intensive Care

Project Information (EN)

According to WHO, every year, an estimated 15 million babies are born prematurely and this number is rising. The Philips next generation NICU is designed to help clinicians provide personalized care. Hear directly from Alex and David, to learn how the
