Project Information (EN)

Alyster thinks Manifestations is geeky, creepy, and cute. This happens to be the same style in which they [Studio Vodka] create their 3D art. Normally Alyster works in game design and High Quality 3D animations, but for Manifestations they have put a hand

Projectinformatie (NL)

Alyster vindt Manifestations geeky, eng, en schattig. Toevallig is dit precies de stijl waarin zij [Studio Vodka] 3D art creëren. Normaal gesproken werkt Alyster met Game Design en High Quality 3D animaties, maar voor Manifestations heeft Alyster deze kee
