Sound-Infused Heirloom Jewellery for Marking Your Meaningful Moments in Time
Met geluid doordrenkte erfgoedjuwelen om uw betekenisvolle momenten in de tijd te markeren

Project Information (EN)

Your Story Embedded in Jewellery. We developed a process that combines computational design with artisanal craftsmanship. In this process, we digitally transform voice data into three-dimensional CAD models. The jewellery pieces come to life by infusin

Projectinformatie (NL)

Jouw verhaal ingebed in sieraden. We hebben een proces ontwikkeld dat computationeel ontwerp combineert met ambachtelijk vakmanschap. In dit proces zetten we spraakgegevens digitaal om in driedimensionale CAD-modellen. De sieraden komen tot leven door
