

Telluride, Volcanic porcelain by Tellurico

“If I was to establish a system, it would be, that Mountains are produced by Volcanoes, and not Volcanoes by Mountains.” Sire William Hamilton (1774)
“If I was to establish a system, it would be, that Mountains are produced by Volcanoes, and not Volcanoes by Mountains.” Sire William Hamilton (1774)

Project Information (EN)

The relationship between craft and the environment is one with never-ending ramifications. What binds the objects of one place to the characteristic of the place itself intertwines the historical, geological, and social aspects of humanity as well as the

Projectinformatie (NL)

Het onderzoeken van alternatieve oplossingen door de studie van folklore en natuurlijke gebeurtenissen is een van de belangrijkste elementen van Tellurico's praktijk. Tijdens het bakken smelt de lava waardoor de porseleinstructuur wordt verbroken en ee
