

From Junk to Jewelry

Unconventional combining quasi-worthless components to create one-off brooches & necklaces with a greater intrinsic value than the sum of its parts.

Onconventionele combinatie van quasi-waardeloze componenten tot unica broches en kettingen met een grotere intrinsieke waarde dan de som der delen.

Project Information (EN)

In a time where objects and commodities are often mindlessly thrown away, Studio-ePosh decides to go on a search for the undiscovered values and qualities of these under appreciated surpluses. By having new views on quasi-worthless components and by pro

Projectinformatie (NL)

In een tijd waarin voorwerpen en grondstoffen achteloos worden weggegooid kiest Studio-ePosh ervoor om op zoek te gaan naar de meerwaarde en kwaliteiten van ondergewaardeerde overschotten. Door nieuw licht te laten schijnen op quasi waardeloze componente
