

Krapiva Zhguchaya

Project Information (EN)

Russian traditional crafts were thriving throughout history, but this stopped with the dissolution of USSR and economic instability. Stinging Nettle is a weed that is widespread in Russia. It was a source for clothes, fishing nets, sailing ropes, traditio

Projectinformatie (NL)

Traditionele Russische ambachten bloeiden gedurende de geschiedenis, maar dit werd gestopt door de ontbinding van de USSR en de economische instabiliteit. Brandnetel is een onkruid dat groeit door heel Rusland. Het was een materiaal gebruikt voor kleding,
