

Memories of Stream City

Project Information (EN)

The societal and economic systems in which we live are embedded with values such as exclusive ownership or competition. They determine the infrastructures which frame our lives and they influence the economic and societal interactions one can have with ot

Projectinformatie (NL)

De maatschappelijke en economische systemen waarin we leven, zijn ingebed in waarden zoals exclusief eigendom of concurrentie. Ze bepalen de infrastructuren die ons leven omlijsten en ze beïnvloeden de economische en maatschappelijke interacties die men m
