Architectural Space, Site, Human

Project Information (EN)

Looking at the central regions of Vietnam hit by annual floods, I do not believe in the problematic matter, but the opportunity to find the harmony between this condition of the site, and the livings of the inhabitants. Based on the architectural essenc

Projectinformatie (NL)

Kijkend naar de centrale regio's van Vietnam getroffen door jaarlijkse overstromingen, geloof ik niet in de problematische kwestie, maar juist als een mogelijkheid om te zoeken naar harmonie tussen de condities van de site en haar bewoners. Vanuit de ess
