

GURU: Smart Houses Smart Personalities

Pay with data, which profile suits you? | Livestream: 20 Oct 15:00-16:00

Betalen met data, welk dataprofiel past bij je? | Livestream: 20 okt 15:00-16:00

Project Information (EN)

1: How can we use immersive storytelling to make future scenarios more realistic? And how can we use those stories to collect data to adjust policies for these scenarios? 2: How can we design an effective collaboration between lector, researching teacher

Projectinformatie (NL)

1: Hoe kunnen we door middel van immersive storytelling toekomstscenario's beleefbaar maken? Zodanig dat hieruit data verzameld kunnen worden waarop beleid kan worden bijgesteld. 2: Hoe kunnen we samenwerking tussen studenten, docentonderzoekers en lect
