Project Information (EN)

United Matters is a London based collective composed of Central Saint Martins graduates from MA Material Futures 2020. Working at the intersection of craft, science and technology, our aim is to use design as a critical tool to combat, reflect upon and un

Projectinformatie (NL)

United Matters is een collectief van afgestudeerden van de MA-studie Material Futures 2020 van Central Saint Martins. We werken op het snijvlak van ambacht, wetenschap en technologie en willen design gebruiken als een cruciaal instrument om te strijden
