

Data-West - Woensel West

"Data-West" - Data exhibition by Tante Netty

Project Information (EN)

I collected Data over the neighborhood Woensel-West and presented this Data with three augmented reality posters. Each poster unfolds Data over a different field of focus. The first poster is about the population of the neighborhood, the second one is

Projectinformatie (NL)

Ik verzamelde gegevens over de buurt en presenteerde deze gegevens met drie augmented reality-posters. Elke poster ontvouwt gegevens over een ander focusgebied. De eerste poster gaat over de bevolking van de buurt, de tweede gaat over het gemeenschapsl
