

FLOATING ROOTS

Why dismantle old ships in Bangladesh when they could be reused and put a smile on your face?
Why dismantle old ships in Bangladesh when they could be reused and put a smile on your face?

Project Information (EN)

Why dismantle old ships in Bangladesh when they could be reused and put a smile on your face? We believe in mixing and matching different ships and greenspaces. Some ships are (eco friendly) moving, some are static, but they all contribute to health, (int

Projectinformatie (NL)
