

Wirst Hourglass

GUTO LACAZ

GUTO LACAZ

Project Information (EN)

Time has been the predominant factor during quarantine days. It has forced us to stop and rewind right at the peak of the digital turmoil, we were living in. Guto Lacaz envisioned this contemporary renaissance metaphysical object - a wrist hourglass

Projectinformatie (NL)

Tijd was de overheersende factor tijdens quarantainedagen. Het heeft ons gedwongen te stoppen en terug te spoelen precies op het hoogtepunt van de digitale onrust waarin we leefden. Ik stelde me dit eigentijdse metafysische object uit de renaissance v
