

FACHWERKRAUM furniture

Interior design: The third way to cope with small spaces.

Interieur: De derde manier om met kleine ruimtes om te gaan.

Project Information (EN)

There are two prominent ways within Europe to cope with small space: - multifunctional monolithes - small furniture for small spaces Both reduce space. The main question leading to FACHWERKRAUM was how to keep space and taking the room serious i

Projectinformatie (NL)

Er zijn twee prominente manieren binnen Europa om met kleine ruimte om te gaan: - multifunctionele monolieten - kleine meubels voor kleine ruimtes Beide verminderen de ruimte. De belangrijkste vraag die leidt tot FACHWERKRAUM was hoe de ruimte t
