The Anti Chair Movement - by Ant Eye

Project Information (EN)

Living in times of acceleration and control, the principles of relationships are tested in most fundamental ways. The Anti Chair Movement is proposing to establish the rules of connection and intimacy in new ways. By liberating the object of its proposed

Projectinformatie (NL)

In tijden van versnelling en controle, worden de principes van relaties op de meest fundamentele manieren getest. De Anti Chair Movement stelt voor om de regels voor verbinding op nieuwe manieren vast te leggen. Door het object van zijn voorgestelde funct
