Project Information (EN)

Part of the tableware set is made using the same tools as were used for the desserts displayed on them. The Dessert Dinner they hosted took place in the living room of a cozy apartment, a space to feel at ease. Their guests are therefore also known to

Projectinformatie (NL)

Dessert Dinner As children we had dreamt to eat only desserts and cakes for dinner. The beautiful colours of cakes and the sweet flavours of cookies. That is why we have made our ceramics in such a way that they are suitable for these desserts. Because
