

The Graduation Project

“You cannot sit on it, it doesn’t solve anything and it will never win a design award. It does not work for exposure or recognition.”

Project Information (EN)

You have come all this way to see a state-of-the art design and now it’s not even there. What a shame. But wait. Did something just move or was that your imagination? Walking around ‘The Graduation Project’ makes you wonder: what are you actually doing he
