An Invitation to Actively Pause

An Invitation to Actively Pause

Project Information (EN)

‘The work’ is a durational pause, a form of sabotage, inspired by stories of factory workers who would gain momentary reprieve from work by throwing parts into the assembly-line to halt the machines. It comprises a series of devoted repetitions in which ‘

Projectinformatie (NL)

‘The work’ is a durational pause, a form of sabotage, inspired by stories of factory workers who would gain momentary reprieve from work by throwing parts into the assembly-line to halt the machines. It comprises a series of devoted repetitions in which ‘
