

You are never too ambitious

A virtual reality environment for somatic self-care. A poetical, emotional and artistic ritual to train individual agency.

Project Information (EN)

Facing the current pandemic, work is ubiquitous, taking over health and creativity. Seeping into our rhythms, relationships, values and even our bodies - all of which bend, flex and contort towards efficiency, production and competition. There has never b

Projectinformatie (NL)

Tegenover de huidige pandemie is het werk alomtegenwoordig en neemt het de gezondheid en creativiteit over. In ons ritme, onze relaties, onze waarden en zelfs ons lichaam slijpen - die allemaal buigen, buigen en zich naar efficiëntie, productie en concur
